

Conférence de presse Brock/Haferkamp

Relations CE/USA

Date : 23 juin 1982

Cote de la bande : PI 1243

0'45 : Début du son

Ambassadeur William Brock sur les relations entre la CEE et les Etats-Unis notamment :

Difficulties, we will continue our conversations, enormous common interest...

2'18 : «We made our position reasonably clear. We are concerned that the Soviets have seized the last seven years in which to engage a large ... build-up in History mankind.... to expend ressearches on defense... JUSQUE we would hope to be more closely into a common policy in » (3'13)

Sur les relations entre la CEE et les Etats-Unis, en particulier avec la France (A SELECTIONNER)

6'00 : « I don't think that retaliation is an appropriate tactic between friends on any subjects. There are very strong feelings on both sides... and we have to respect the fact that both also have different views on some these questions » (6'21)

6'31 : « We believe that the cases were resolved in a fashion that reflects both enhancing exports... We are understand and respect the need for the restructuring of the industry here, there similar problems in the United States, but the cases were decided on And we will continue that » (7'24)

7'43 : « We have a legal authority concerned with the exportation of US technology... to withdraw the opportunity to license » (8'00)

Sur les relations entre la CEE et les Etats-Unis :

9'34 : «I think ... any number of occasions in the last 30 years we have had differencies... have never and will not have a negative

impact on fundamental relationship... the most important relationship we have in the world » (10'00)

Wilhem HAFERKAMP, vice-président CEE

10'05 : courte intervention

10'15 : « We stressed our concern of cumulation difficulties still, agricultural questions... but we agreed that we'll tackle all these problems on their own merits, we will continue to discuss... to find solution... on GATT or bilaterally...deploy major efforts to do so » (11'28)
